

Your implementation plan should explain the procedures that the college is using for revising courses and developing new courses as needed, in time for the December 2012 deadline.

Each department will be asked to propose existing and new courses for Required Core, Flexible Core and College Option courses. Each will be reviewed by the appropriate committee as follows:

- | | |
|---------------------------------------------------------------|---------------------------------|
| • English Composition 2 | Director of Composition and WAQ |
| • Math/Quant Reasoning | AQRAC |
| • World Cultures and Global Issues | GEAC |
| • U.S. Experience in its Diversity | GEAC |
| • Creative Expression | GEAC |
| • Individual and Society | GEAC |
| • Scientific World | GEAC |
| • Writing Intensive Overlay | WISC |
| • College option:
Science, Language, Literature, Synthesis | GEAC |

The plan should also include a timetable

Departments will receive proposal guidelines by March 15th for all but the College Option. (College Option courses will be solicited once the Implementation Plan is approved.)
